City Giving Day 2023

We are delighted that you are taking part in City Giving Day 2023, The Lord Mayor's Appeal's annual celebration of volunteering and philanthropy in the City of London and beyond.

We want to make as much noise as possible about City Giving Day 2023 and give the City something to really celebrate.

We have developed this pack so that you can share content and communications and showcase the great work that you and your fellow firms across the City are doing for charities and causes.

By participating in City Giving Day and raising money for The Lord Mayor's Appeal (if you choose to do so) you are helping us support our three amazing charity partners; National Numeracy, MQ Mental Health Research and The Duke of Edinburgh's Award.

Key messages

City Giving Day is the perfect opportunity to demonstrate the support you provide to charities and good causes throughout the year.

City Giving Day is one day in the year when businesses can unite to celebrate and showcase their charitable and volunteering achievements with employees, clients, suppliers and the public.

It provides organisations with the opportunity to engage with their employees, recruit volunteers, have fun, raise money, and showcase their charitable activity.

It is a simple initiative that is good for your business, good for your people, good for the City and good for your local community.

City Giving Day is an opportunity for:

- **Showing** - an opportunity to show the collective efforts of the City
- **Telling** – providing a compelling platform for the telling of stories
- **Uniting** – one day a year the City can unite around a common message

Assets

To help you make the most of your City Giving Day, we have created a number of assets, including social media banners, guides, 'Proud to' posters, email signatures and more.

We encourage you to make the most of these and share the message far and wide that you are involved in this year's City Giving Day.
